Good morning Sarah,

I need your help with this request that was closed yesterday. I just drove by and all the items are still there. Can you please look into and send a truck to collect the items or should I add to our CARE list for next week? Please let me know.

Thank you!

Sadly and unfortunately all the items are still along the street (Sharp

ave)

I can provide pictures tomrw morning because right now it's too dark.

Here is a snap of the street so you can see how dark it is. I think you can somewhat see the bulky items.
